

Restating Issues as Goals

Issues	Reframe in the Positive	State as a Goal
<p>SOCIAL</p> <ul style="list-style-type: none"> E.g. Elders feel they are not connected to the community, with the youth, not included, and not appreciated 	<ul style="list-style-type: none"> Elders are respected and appreciated. This will be demonstrated by including Elders in decision-making, in community events, and by providing them with love and care. 	<ul style="list-style-type: none"> Elders that are engaged in community life. To enhance Elder participation in community events and connection to the community as a whole.
